SO IT READ ON MY DREAM WIKI PAGE:

FOR HOMONYMES, SEE PARLOTTE (FR)

Roger Morbleu Guyon Parlote, full name of Roger Parlote, is a French philosopher, writer and film director. He was born in Sainte-Nitouche on April 24th, 2001.

His first movie, "Better wounded than dead", was released in 2030 and regarded by the author as his "one and only masterpiece". It focused on the life of threatening submarine creatures, in particular of sea urchins located in the Bermuda Triangle.

So Parlote, it was about getting challenged by a "double danger".

Roger Parlote

Occupation

President of the Union for the Protector of Amphibians
President of the Cannes Festival

French Academician (seat 36)
Novelist, poet, philosopher

Interviewed after his first film by the film magazine PAPI RUSSE, Parlote presented his project in these words:

"I felt like contemplating the likenesses between human beings and those abyssal creatures that keep repelling each other with they thorns in spite of their solitude."

Adding to this, when asked about his closeness to his subject:

"I've always felt very hedgehog-like. Reading Schopenhauer was a turning point in my understanding of this feeling."

THIS FILM WOULD HAVE BEEN AN ATTEMPT TO PICTURE SCHOPENHAUER'S HEDGEHOG DILEMMA - WATERY VERSION.

FOR CAPTIVATING TENSIONS THAT COULD MAKE ME LET HEAVENS! OUT AT EVERY CHANGE IN SCENE.

OBVIOUSLY, I WAS CULTIVATING A WEAKNESS FOR FIERCE MOVIES.

HAND ME THE KEYS, YOU FUCKIN' COCK-SULKER

BUT I WAS NEVER ABLE TO COMMUNICATE THE VISIONS INSIDE ME.

IS IT ART OR TRASH?

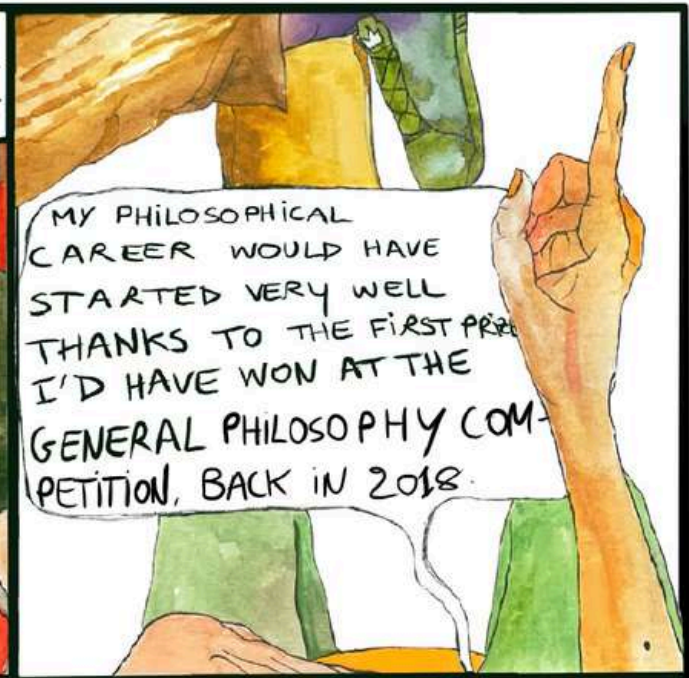

AT 15, I COULD SEE MYSELF BECOMING A REKNOWN COLUMNIST, A NERD SMOKING ROLLED CIGARETTES AND MAKING MORNING JOKES ON THE RADIO.

I'LL BE MANSLAINING WHEN PIGS CAN FLY!!

MY PHILOSOPHICAL CAREER WOULD HAVE STARTED VERY WELL THANKS TO THE FIRST PRIZE I'D HAVE WON AT THE GENERAL PHILOSOPHY COMPETITION, BACK IN 2018.

GENERAL ACADEMIC COMPETITION - 2018

ESSAY OF PHILOSOPHY

SUBJECT

FANTASIZE

DURATION: 6 HOURS

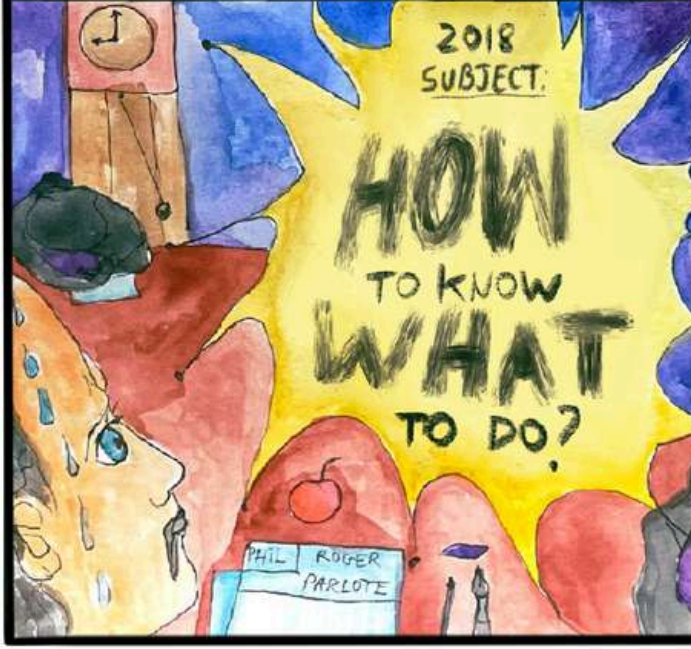

UNFORTUNATELY, THE REALITY DIDN'T MEET MY FANTASY. THE ACTUAL SUBJECT RUINED MY HOPES IN A SNAP...

2018 SUBJECT:

HOW TO KNOW WHAT TO DO?

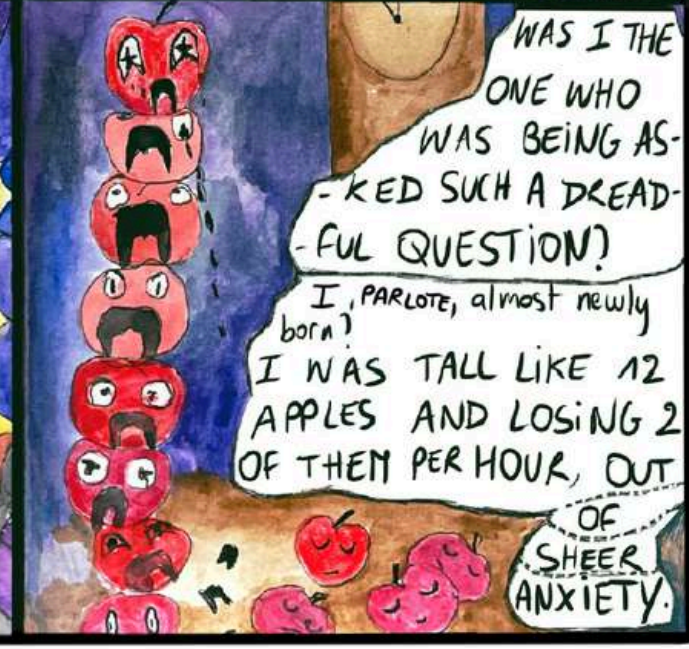

PHIL ROGER PARLOTE

WAS I THE ONE WHO WAS BEING ASKED SUCH A DREADFUL QUESTION?

I, PARLOTE, almost newly born?

I WAS TALL LIKE 12 APPLES AND LOSING 2 OF THEM PER HOUR, OUT OF SHEER ANXIETY.

ASKING SUCH A QUESTION WASN'T HUMANE! T'WAS INSANE.

NOT ONLY DID I HAVE NO CLUE...

BUT I WAS DISTRACTED BY THE CHORUS OF "PETIT FRANCK", A CATCHY TUNE PLAYING IN MY HEAD...

I HAD LEARNED IT IN MUSIC CLASS WHEN I WAS IN FOURTH GRADE...

IT HAD PROVED USEFUL EACH TIME MY SELF-LOVE HAD BEEN ENDANGERED. PERILOUS SITUATIONS SUCH AS THE TIME WHEN...

FOUR DUDES AT SCHOOL GOT ME FROZEN IN A SNOWMAN AND FORCED ME TO STAY THERE UNTIL IT MELT.

FAUT PAS PLEURER, T'ES LE PLUS FORT

IL FAUT SERRER LES POINGS TRÈS FORT

TES SENTIMENTS LES PLUS FORTS SONT ENFOUIS COMME DES TRÉSORS

I FOUGHT TEETH AND NAIL, EMPOWERED BY THE VISION OF MY FUTURE SUCCESS MADE OBVIOUS BY MY FEATURING ON NEWSPAPERS' FRONT PAGES.

HE KNEW WHAT TO DO

THE BRAINS OF AN EXCELLENT SCHOLAR IN THE BODY OF A TEENAGE FROG

At only seventeen, Roger Parlole becomes an icon of French literature. His style aligning with Proust, Baudelaire, he followed a sharp Cartesian argument in his thorough yet imaginative essay...

THAT BEING SAID, I ANTICIPATED THE LEGITIMATE PERPLEXITY OF MY SCHOOLMATES

PERHAPS I WAS BORN TO BE FORGOTTEN LIKE A JUNK POET CONSOLING HIMSELF IN

ROGER, 1st PRIZE OF PHILOSOPHY?!?!

THE GUY WHO GAVE US BANANA CANDIES IN THE PLAYGROUND

... HE DID IT ONLY FOR FLIRTING! SO PERVERSE.

ILLUSION

THIS COMPETITION WAS MEANT TO CALL ME BACK TO ORDER, LIKE A GOOD OLD SPANKING.

WHILE OTHERS WERE BARTERING MARBLES, I WAS OFFERING BANANA BOBONS.
